In Coachford we have access to the Inniscarra lake and some amazing exploration kayaking. We have new zones coming online with 50 person obstacle courses, team challenge areas, Wilderness zones with outdoor classrooms and indoor target zones all to be included in your new package.

Bring your students on a journey of OUTDOOR DISCOVERY this year.

We are Experts in dealing with large groups in the outdoors. We cater for groups of 10 - 200 on a daily basis.

We are passionate about our business and the outdoors. We believe if you bring your group into the outdoors with us it will have a lasting effect on their lifestyle.

Brand new activities added every season; just check out the absolutely huge playground in the sky **HIGH NETS COURSE** in Ballyhass Coachford in 2021. Ireland's first and only nets course

We have Munster's only cable Wakeboarding centre. Bring your group down to get addicted to Europe's fastest growing watersport. Its a lifestyle!

Each season we have over 60,000 day visits. Come down and see what the fuss is about. We are looking forward to welcoming you personally.

Don't forget to ask about our wilderness packages in Ballyhass Coachford. Cross the bridge into your own wilderness oasis and leave with a pack of budding Bear Grylls!

THE BALLYHASS EXPERIENCE

We sell out in June each year, meaning there is a waiting list of groups trying to get in, book early to avoid disappointment. September & October are getting busier each season so make sure and plan ahead.

All our activities are **ADVENTURE** activities. We have top of the range professionally installed equipment. Our high nets course & Aquapark facilities are a great example of this.

All instructors no matter how experienced go through extensive in house training every year to ensure that skills are at peak levels. But, above all they are great fun!!!

We cater for groups starting for 12 all the way up to 200 participants. This makes us one of the first choice destinations for large group adventures.

20 YEARS IN THE MAKING...

Ballyhass has been delivering outdoor experiences to groups for over the last 20 years. We believe in experiences and not just pay and play activities. Your group will experience the outdoors in a way they have never done so before. We are committed to adding new activities every year to ensure returning groups have an experience that surpasses their previous trip!

We brought 90+ transition year girls here and we had an absolute ball. The girls loved the aqua park and the zip lining. The staff were very helpful and the whole site is very well organised and safe. I can't recommend the centre enough and will be back with other school groups

- AOIFE N TRIPADVISOR

I took my class here on our School Tour and it was just super. The children loved every minute of it and were really challenged to work as part of a team as well as to partake in activities outside of their comfort zone. The staff were super friendly and had a great way with the children. They really knew what they were doing.

FAQ's

WHAT ACTIVITIES WILL WE DO?

Each trip to Ballyhass is made up of Land, Water & Height based activities. Each group will get a fair mix of all depending on the numbers on site, on any given day.

DO I HAVE TO BE ABLE TO SWIM?

No, but we would recommend a confidence in water. You will be wearing a life jacket. If you would be happy jumping off a dock into the water with a life jacket you are good to go!

WILL I BE FORCED TO DO ANYTHING I DON'T WANT TO DO?

Absolutely not. All our activities are **instructor lead** and **challenge by choice**. You will be challenged by our instructors but it is YOUR call how much you complete

ARE WE SAFE?

With instructor ratios of 1:6 on most activities you will not find a safer centre. We undergo rigorous training and safety checks daily, weekly, monthly & yearly.

BALLYHASS FAQ'S

WHAT IS THE SCHOOL TOUR PACKAGE In COACHFORD?

"Our Coachford school tour package is a half day water package with one other Multi Activity zone"

ARE THE ACTIVITIES SUPERVISED?

"Yes, as soon as the buses pull up our Instructors are ready and waiting! All activities are fully supervised by our in-house qualified staff on all activities. The only time we would ask the teachers to take over is at lunchtime just to give our guys a break. Again we encourage all teachers to jump in with the groups and get involved in the fun during the day."

I'VE A SCHOOL OF X80 CAN I COME?

Yes, no problem! With a school of x80, I can guarantee you will have the whole site to yourself. In this case, we promise your students will all take part in our Water Zone. While also guaranteeing a choice of Wilderness, Target and Challenge Zone.

IS THERE A ROOM FOR TEACHERS ON THE DAY?

Yes, we provide a designated teacher lounge to all schools for the day. This room will have a sitting area, WIFI and as much tea and coffee as you would like. Making your trip as relaxing as possible!

HOW LONG IS THE DAY?

"Our activity day kicks off at 10:00 am and finishes at 3:30 pm with a 30 Min lunch break in the middle. However, we aim for buses to be leaving at 4:00 pm after kitting down and instructors end of day debrief"

WHAT DOES THE HALF DAY WATER INCLUDE?

"Our half-day water section of the day takes place in our Water Zone on site. This will involve a selection of our water activities and is guaranteed fun for your water-loving students! Activities include Aqua Park, Stand Up Paddle Boarding and River Kayaking"

SOME OF MY STUDENTS AREN'T GOOD IN THE WATER DOES THIS MATTER?

All students will be provided with life jackets and will be supervised by our fully qualified water instructors so we guarantee they are in safe hands at all times. Our packages in Coachford promise half day water activities for schools (2.5 hours) which wouldn't be flexible during our school season. If a large number of students from your school are very nervous of water I would recommend that ye guys try our Mallow Site for your school Trip. Mallow's packages aren't as water specific as Coachford so this might suit your school?
