THE BALLYHASS[™] EXPERIENCE

June sells out first each year, meaning there is a waiting list of groups trying to get in. Book early to avoid disappointment. September & October are getting busier each season so make sure and plan ahead.

All our activities are **ADVENTURE** activities. We have top of the range professionally installed equipment. Our High Nets course & Aquapark facilities are a great example of this.

All instructors no matter how experienced go through extensive in house training every year to ensure that skills are at peak levels. But, above all they are great fun!!!

We cater for groups starting from 40 all the way up to 200 participants. This makes us one of the first choice destinations for large group adventures.

Your group will experience the outdoors in a way they have never done so before. We are committed to adding new activities every year to ensure returning groups have an experience that surpasses their previous trip! In 2023 we are proud to announce we are B corp Certified.

We brought 90+ transition year girls here and we had an absolute ball. The girls loved the aqua park and the zip lining. The staff were very helpful and the whole site is very well organised and safe. I can't recommend the centre enough and will be back with other school groups

I took my class here on our School Tour and it was just super. The children loved every minute of it and were really challenged to work as part of a team as well as to partake in activities outside of their comfort zone. The staff were super friendly and had a great way with the children. They really knew what they were doing.

FAQ's

WHAT ACTIVITIES WILL WE DO?

Each trip to Ballyhass is made up of Land, Water & Height based activities. Each group will get a fair mix of all depending on the numbers on site, on any given day.

DO I HAVE TO BE ABLE TO SWIM?

No, but we would recommend a confidence in water. You will be wearing a life jacket. If you would be happy jumping off a dock into the water with a life jacket you are good to go!

WILL I BE FORCED TO DO ANYTHING I DON'T WANT TO DO?

Absolutely not. All our activities are **instructor lead** and **challenge by choice**. You will be challenged by our instructors but it is YOUR call how much you complete

ARE WE SAFE?

With instructor ratios of 1:6 on most activities you will not find a safer centre. We undergo rigorous training and safety checks daily, weekly, monthly & yearly.

BALLYHASS FAQ'S

WHAT IS THE SCHOOL TOUR PACKAGE In COACHFORD?

"Our Coachford school tour package consists of Land, Water and Height activities. This mirrors Mallow. You are guaranteed our new High Nets Course.

ARE THE ACTIVITIES SUPERVISED?

"Yes, as soon as the buses pull up our Instructors are ready and waiting! All activities are fully supervised by our in-house qualified staff on all activities. The only time we would ask the teachers to take over is at lunchtime just to give our guys a break. Again we encourage all teachers to jump in with the groups and get involved in the fun during the day."

I'VE A SCHOOL OF X80 CAN I COME?

Yes, no problem! We have a capacity of 200+ at each location. We promise your students will all take part in our Water Zone. While also guaranteeing a choice of Wilderness, Target and Challenge Zone in Coachford. Land, water height in Mallow.

IS THERE A ROOM FOR TEACHERS ON THE DAY?

Yes, we provide a designated teacher lounge to all schools for the day. This room will have a sitting area, WIFI and as much tea and coffee as you would like. Making your trip as relaxing as possible!

HOW LONG IS THE DAY?

"Our activity day kicks off at 09.30 am and finishes at 3.30 pm with a 30 Min lunch break in the middle. However, we aim for buses to be leaving at 4:00 pm after kitting down and instructors end of day debrief"

CAN I GET MULTIPLE WATER ACTIVITIES?

"We do our best to get as much time on the water as possible. We find the combination of Land, Water & Height the best possible combination however. It allows anyone who might be nervous of water or height a break during the day."

SOME OF MY STUDENTS AREN'T GOOD IN THE WATER DOES THIS MATTER?

All students will be provided with life jackets and will be supervised by our fully qualified water instructors so we guarantee they are in safe hands at all times. If they are happy floating in a lifejacket, they will be able to take part in all activities. For the Aquapark we have staff on standby for nervous swimmers at the start of each session.
